# YUSON

## COMPANY PROFILES

---

YUSON has been dedicated to the design, manufacturing and marketing of faucet, showers, bathroom accessories, and also ceramic toilets, basins since its establishment by a group of energetic and professional people in the year 2008.

With decade of experience, together with our constant investment on outstanding manufacturing facilities for taps and mixers, brass fittings, shower systems and ceramic products, Yuson stands for top quality bathroom and kitchen fixtures products which are appreciated by customers all over the world.

We gain the reputation for our wide ranges of innovative products, satisfactory quality, efficient operation, and professional services provided to our clients.

---

## OUR VISION, OUR VALUE

---

Our vision:

To be the most reliable partner and supplier in our professional sectors in China by devoting ourselves to design, manufacturing and marketing of innovative and good quality products in competitive prices.

Our Value:

Trust and mutual benefit. Yuson people have earned the reputation of reliable and honest trade partner because of our belief in the trust and mutual benefit with our clients, employees, business partners and suppliers. Thus to make sure our effort can be translated into successful cooperation.

---

## WHY CHOOSE YUSON

---

We have detailed, systematic quality control system, and QC team for inspection, which will guarantee for stable and controllable quality.

We can provide professional, considerable services, with our experienced team, considering the point of view on both sides.

Responsible and reliable. Responsibility is the most important thing to be considered when we make the decision.

We are good at providing solutions on products development, cost saving, quality control, and perfect service.

**WE BRING YOU VALUE!**

---

SHOWER

This showerhead has 3 functions:  
rainshower, massage and aerator;  
the innovation on it was the function switch  
was re-defined by water pressure;  
when you quickly turn-on/turn-off the mixer,  
the functions changes;

YS31438T

ABS shower head

Size:  $\phi$  230mm

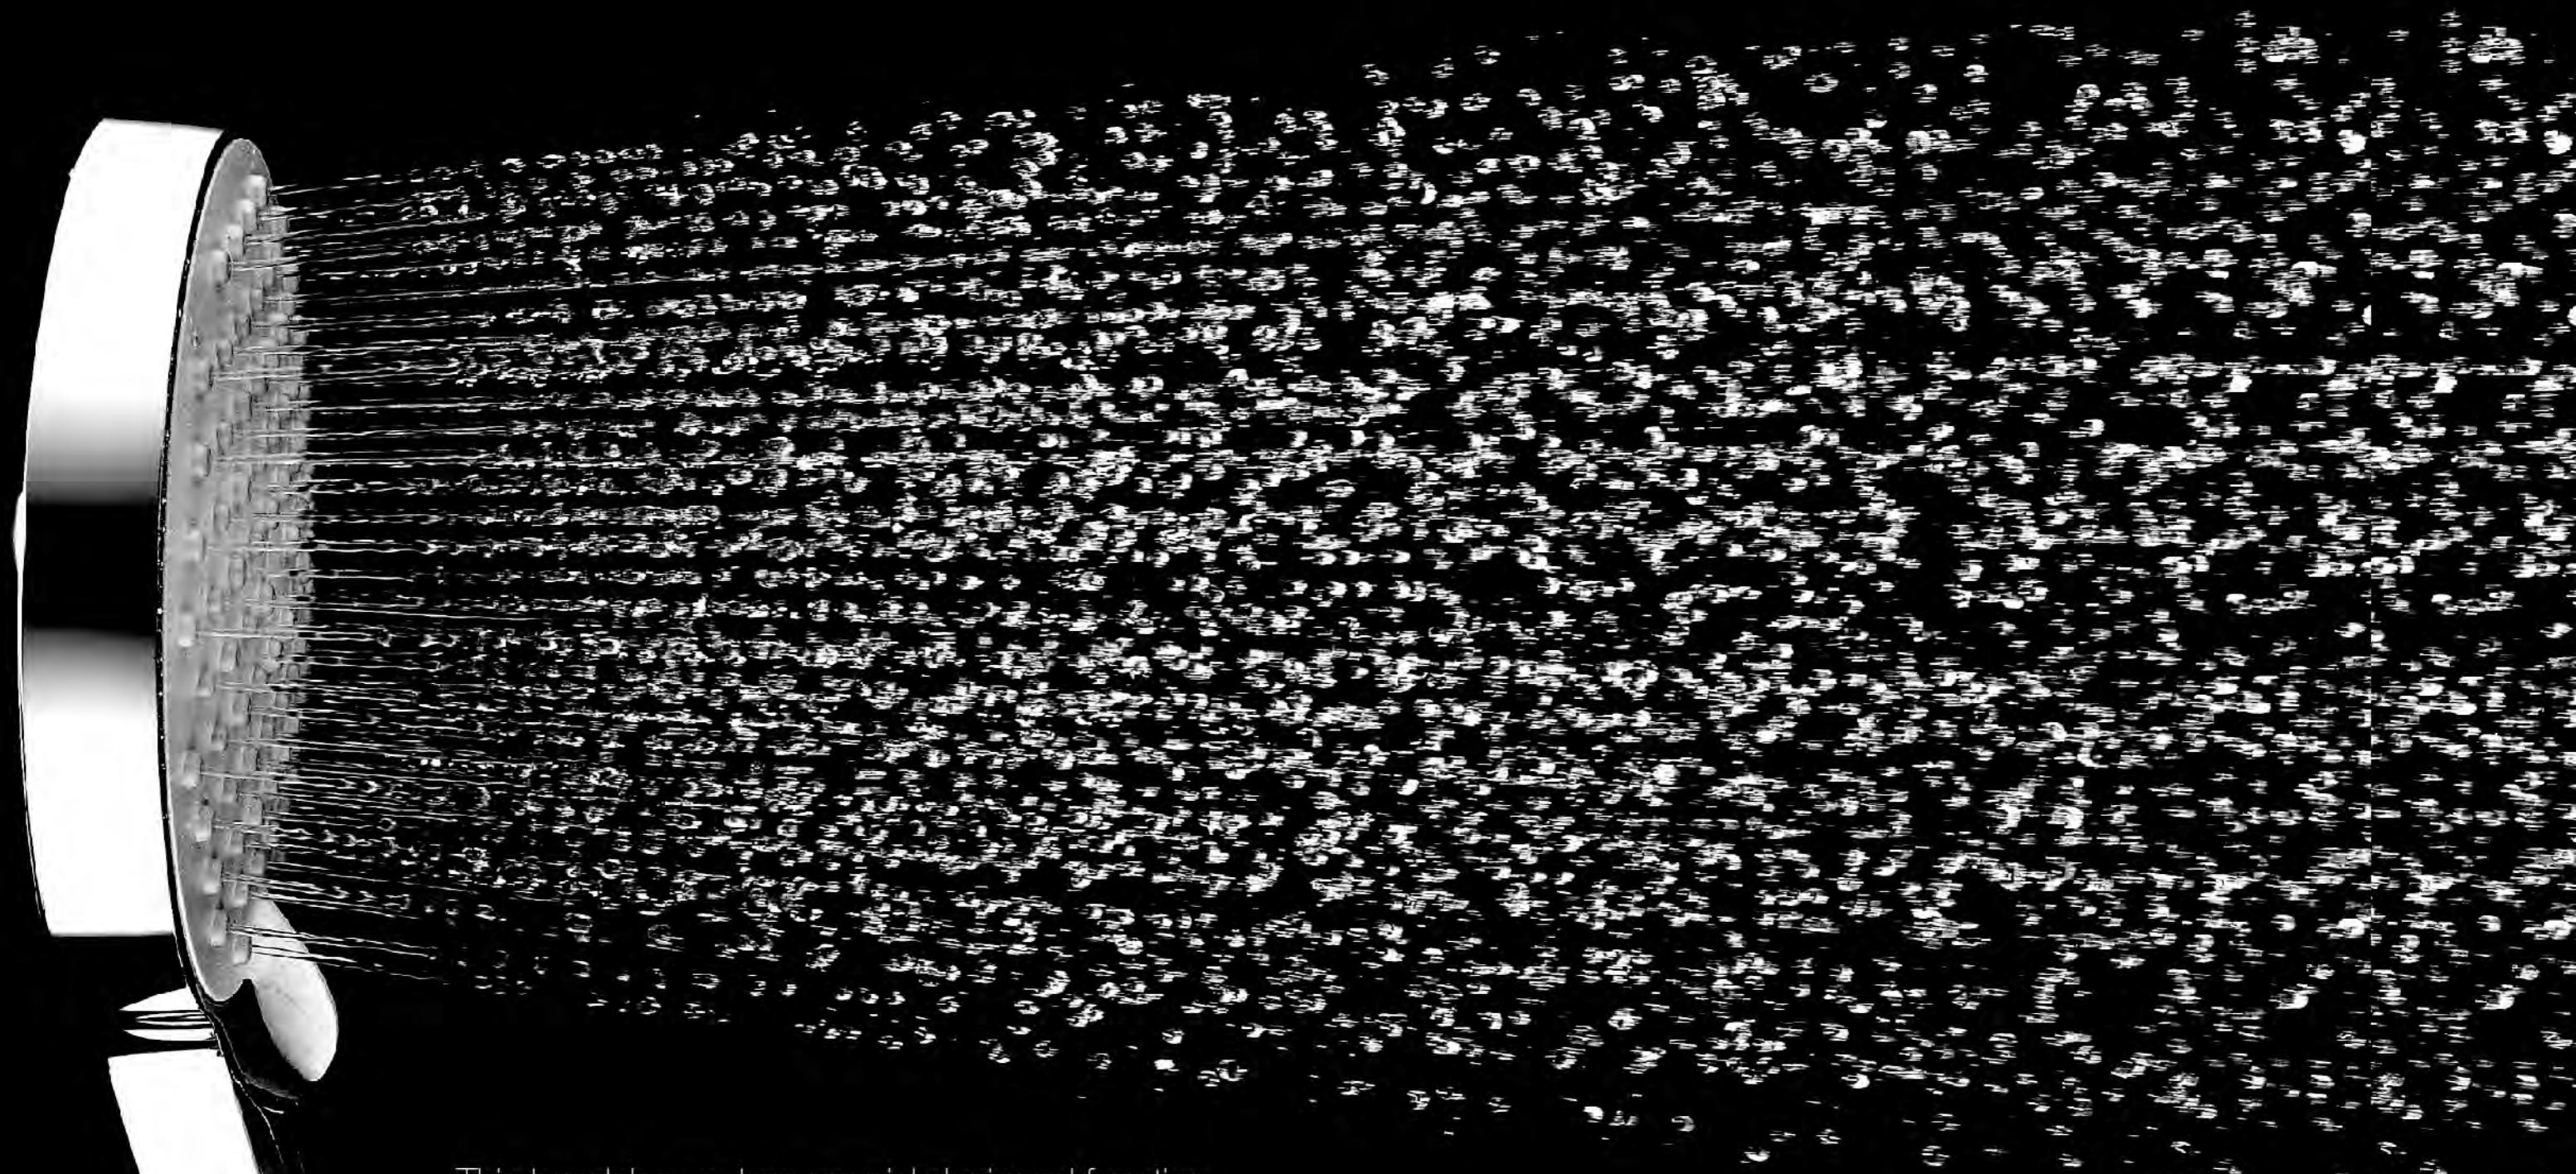

YS31405

ABS handshower

Size:  $\phi$  120mm

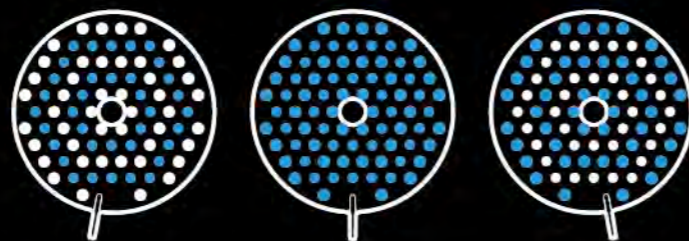

This handshower has special designed function switch solution, to apply in different water pressure.

Low pressure position 2, 4 circle nozzles;

Medium pressure position 1, 3, 5 circle nozzles;

High pressure position all circle nozzles;

even circles

full circles

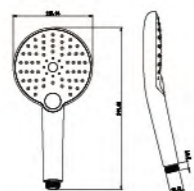

odd circles

## MIZZLE, 5-in-1 nozzles

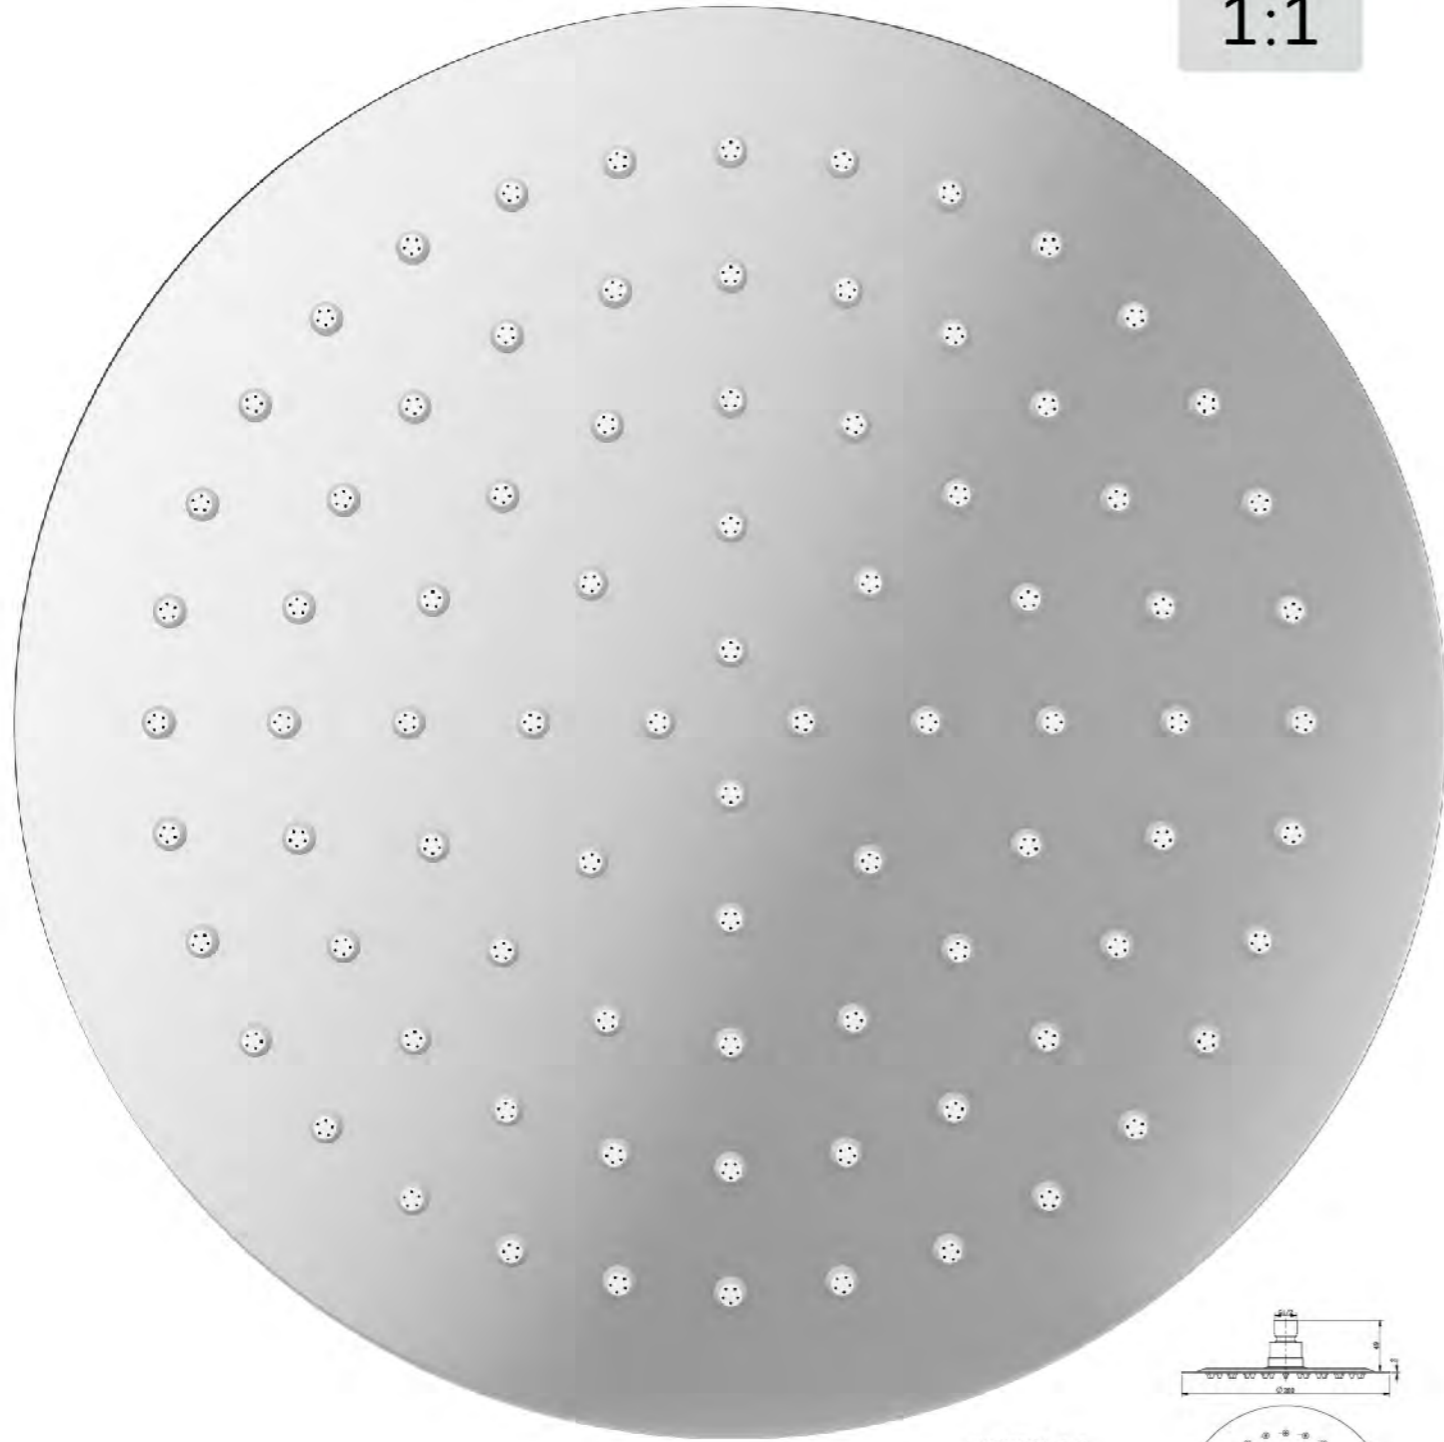

is our new thinking of shower experience improving; before, only one hole on one nozzle, the feeling of shower is not like what we called "rainshower". On the limited area of shower head, round or square, we were keep seeking for a better feeling like fine rainshower, now it is here. With this design, your shower time will be just like enjoying in the mizzle.

# MIZZLE

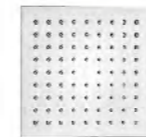

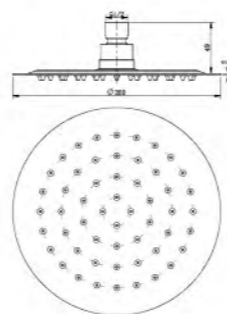

## 5-in-1 nozzles
